To Ruby Ghosh <ghosh@optio2.com>

Dear Ruby N Ghosh,

Thank you for your proposal payment for the AGU26. Your credit card has been charged \$45.00 and this submission fee is associated with Abstract #2085144 - Tidal Hiccups and Oxidic Sighs: Machine-Learning classification of oxygenation events in a transitioning coastal wetland. Your confirmation number for this transaction is agu-agu26-2085144-5407-6635-5947-6995. Proposal submission fees are nonrefundable.

Please note that payment is not the last step in the submission process. If you did not receive a Confirmation email, please go back to your proposal and click the last step "**Submit Proposal**." It is the responsibility of the submitter to proof and fully complete the submission by the deadline. As a reminder, you may log in and submit and/or edit your proposal at any time before the submission deadline on **5 August 2026 23:59 EDT/03:59 +1 GMT**.

Proposals may not be edited after this date.
